HOPE ACADEMY

2012-2013 Performance Analysis

Core Question 1: Is the educational program a success?

1.1. Is the school's academic performance meeting state expectations, as measured by Indiana's accountability system?	
Does not meet standard	**School has received an "F" for the most recent school year OR has received a "D" for the last two consecutive years.**
Approaching standard	**School has received a "D" for the most recent school year.**
Meets standard	**School has received either a "B" or "C" for the most recent school year.**
Exceeds standard	**School has received an "A" for the most recent school year.**

2012-13 Performance: **Not Applicable.**

Hope Academy does not have enough students enrolled at the school for a school grade to be calculated.

1.2. Are students making substantial and adequate gains over time, as measured using the Indiana Growth Model?	
STANDARD	**Value-added analysis indicates that more than 75%-89% of tested students made sufficient gains.**

2012-13 Performance: **Not Applicable.**

Hope Academy serves grades 9-12. Analysis of substantial and adequate gains over time is only available currently for schools serving grades K-8.

1.3. Is the school outperforming schools that the students would have been assigned to attend?	
STANDARD	**School's overall performance in terms of both proficiency and/or growth is generally as good as that of the schools the students would otherwise have been assigned to attend.**

2012-13 Performance: **Not Applicable.**

Hope Academy serves grades 9-12. Analysis of the school's performance in comparison to schools students would have been assigned to attend is currently only available for schools serving grades K-8.

1.4. Is the school meeting its school-specific educational goals?	
STANDARD	**School has clearly met its school-specific educational goal.**

Not Evaluated. Hope Academy did not have school-specific educational goals to be evaluated for 2012-13.
