

VEX • ROBOTICS • CHAMPIONSHIP

Fun for the whole family!

STEM FAIR

Over 30 interactive booths!

Hands-on projects & demos!

Sunday, November 17th
9am – 3pm
Bankers Life Fieldhouse

Great opportunities to touch, feel, and experience science, technology, engineering, and math! Bring your kids for a chance to:

- Test drive underwater robots
- Create DNA bracelets with Roche Diagnostics
- Compete with 4-foot robots on a competition field
- Check out the student-built Purdue Solar Racing car
- Get your picture with 2 larger-than-life robots
- Design some wacky “Mr. Robot-head” faces
- And much, much more!
