

Robotics Day at the Marion County Fair

Sunday, June 29th 10:00 a.m.—5:00 p.m.

Robotics Day at the Marion County Fair will showcase the best of robotics in Indiana. The following robotics programs will be featured:

Tournaments and/or demos of each robotics program will be featured throughout the day.

VEX Robotics teams will be competing in a “VEX Toss UP” tournament.

There will be no cost for teams to compete other than the Fair gate fee. Each winning alliance will receive trophies and wrist bands to the Fair carnival.

There will be demonstrations of:

**FIRST Robotics (FRC), FIRST Tech Challenge (FTC), FIRST Lego League (FLL)
and VEX IQ robot platforms**

Contact Randy Decker at rdecker@warren.k12.in.us to register.

VEX Teams can register at: www.robotevents.com
