

Volunteers

Needed!

Indianapolis VEX Robotics Championship (IndyVRC)

Inspire students. Make an impact.

Learn more

The robots are back and it's going to be more exciting than ever! Come help and support over 1,000+ students compete in the largest city-wide robotics championship!

Students learn and grow from working with real professionals in STEM (science, technology, engineering, and math). It doesn't matter if you are a beginner or a robotics expert, you can make an impact!

With over 5,000 anticipated students and visitors, we need your help!
