

External Consultant Information Sheet

Last Revised: June 2016

Primary Contact	Mary Jo Rattermann, Ph.D. Research & Evaluation Resources, LLC 317-361-6772 mrattermann@evalresources.com 9247 North Meridian Street, Suite 325 Indianapolis, IN 46260
Brief Description of Company	Research & Evaluation Resources, LLC offers a full range of evaluation and research services to non-profit and educational institutions. We are professional evaluators, researchers and educators who are uniquely qualified to provide charter schools with accurate and timely information that can be used to shape professional development and inform school improvement. We have extensive experience with the Office of Education Innovation Performance Framework, having provided evaluation services to OEI charter schools since 2008. Our goal is to provide a collaborative evaluation process, working with schools to ensure that they evaluation process not only meets the requirements of the Performance Framework, but also provides valuable information tailored to the needs of each individual school.
